

Mount Robson Provincial Park

Trail Conditions Report

The conditions provided for the Berg Lake Trail are updated on a weekly basis.
 Conditions for the Other Park Trails will be updated as information becomes available.

Mount Robson Park has an abundance of wildlife so ensure you are prepared!
We recommend travelling in groups, making lots of noise and always carrying bear spray.

Berg Lake Trail

| Trail Name | Status | Length | Condition |
|----------------------------------|--------|--|--|
| Berg Lake trail | Closed | 23 KM one way | |
| Mumm Basin/Hargreaves Lake Route | Closed | 15.3 KM circuit | |

Other Park Trails

| Trail Name | Status | Length | Condition |
|------------------------------|--------|--------------|-------------------------------|
| The Robson Lookout | Open | 3 KM one way | Good, some deadfall on trail. |
| The Fraser River Nature Walk | Open | 1 KM | Good, some deadfall on trail. |

| | | | |
|-------------------------|------|-----------------------------|--|
| The Overlander Trail | Open | 1 KM | Good, cleared. |
| The Moose River Route | Open | 47 KM One way to Moose Pass | <p>This route is open for hikers and horse users. Exiting the route via the Berg Lake Trail is not permitted due to closure. Plan accordingly. Exits from the Moose River route include connecting to Great Divide Trail at Colonel Creek junction. Contact Jasper Visitor Centre for trail conditions in Jasper National Park.</p> <p>This route should only be attempted by experienced trail users only. The trail is challenging to navigate and multiple unbridged river crossings exist. The trail was cleared from the Hwy 16 trailhead to the Colonel Creek junction as of July, 2021.</p> |
| Mount Fitzwilliam Trail | Open | 13KM one way | Good, trail cleared to km 10, wet and muddy sections. |
| The Yellowhead Trail | | 11 KM | Good, some deadfall on trail, wet and muddy sections. |
| The Labrador Tea Loop | Open | 1 KM | Good, cleared. |
| Portal Lake Loop | Open | 1 KM | Good, cleared. |
